www.scopehealthuk.com

www.tecnainfo.com

Invitation to the 27th TECNA Course 10th Sept Sat 2022 Bristol

WELCOME TO THE TECNA COURSE /WEBSITE www.tecnainfo.com/www.scopehealthuk.com/tecna

Its a great pleasure to invite you all to the 27th TECNA courses 2022 .We have 2 venues Bristol & Manchester .

INTRODUCTION

This course provides a review of relevant practical aspects of therapeutic endoscopy, includes several practical demonstrations /exhibition and followed by "hands-on experience" with endoscopy accessories at several work stations. All delegates attending the course will be provided with a "SCOPE ENDOSCOPY MANUAL" dedicated for all those working in the endoscopy units.

TARGET AUDIENCE

- Registered nurses (RN) & Health care assistants (HCA) working in endoscopy units
- Nurse endoscopists and any other personnel performing endoscopy
- Specialist nurses working in gastroenterology/gastrointestinal surgery

This course is accredited by the university of Cumbria for work-based learning for 20-40 credits.

This meeting offers a unique opportunity for you to network, enhance your knowledge in therapeutic endoscopy and also provides hands-on experience with endoscopy accessories.

TECNA : "A COURSE WITH VISION & MISSION TO EDUCATE"

We look forward to meeting you at the course . For course info visit www.scopehealthuk/tecna or www.tecnainfo.com

please forward this email to friends and colleagues

With kind regards
TECNA TEAM

TECNA Course Feedback

- Excellent day
- Brilliant manual
- Very informative
- This course is awesome!
- Very well organised Course
- The training was very useful
- Great opportunity to network
- By far the best course available
- Gained confidence from the course
- A great variety of subjects covered
- Lots of photos which was very engaging
- Great to find out about new equipment
- Will recommend to other endoscopy nurses
- Excellent for both new staff and experienced
- Thoroughly enjoyed all aspects of the course
- There was lots of opportunity to ask questions
- Lecturers were very approachable and friendly
- Knowledge gained will be used in every day work life
